After you pull through, park your car again and close the gate. It is important to keep the gate closed at all times to ensure the safety of any horses that may get out of their paddocks by accident.

PARKING

Parking is available in front of the barn, and to the left of the barn facing the main road. Please do not park in front of the big bay door, or in front of the horse trailers.

BARN ENTRANCE

Once you park, make your way to the right side of the main barn. You will see a gray, man door which is the rider's entrance.

Once inside, you will be standing in the tie up area where students will ready their horses for their lessons. The gray, man door to your right will lead you to the viewing room, and the large sliding door beside that will lead you to the arena.

Please wait for your lesson in the viewing room, only making your way to the tie up area 15 minutes before your lesson to meet your coach and get your horse ready.

BARN RULES

In both the tie up area and arena, there are large signs that list the barn rules. Please take a moment to read through them. As usual, make sure to clean up after your horse and respect the other riders at the facility. If you have any questions, do not hesitate to ask!
